## Revisiting the populist challenge: Perspectives on Comparative Social Research

DEPARTMENTAL WORKSHOP

December 16, 2016  
13 00 – 16 30

Co-conveners: Margarita Zavadskaya (EUSP), Eduard Ponarin (LCSR)

The Golden Hall / *Zolotoy Zal*

The workshop aims at strengthening the collaboration between the EUSP political science community and other research institutions in the field of quantitatively-oriented comparative social research based using the survey data. The workshop will cover such topics as nationalism and populism through the prism of survey data and mass support for democracy. The workshop seeks to introduce and challenge modern techniques and research designs.

**Graduate students and faculty are welcome to attend!**
