

## Yulia Vymyatnina

European University at St. Petersburg (EUSP)

phone: +7 (812) 386-7632

email: [yv@eu.spb.ru](mailto:yv@eu.spb.ru)

### Employment

Head of the Department of Economics, EUSP	2018 – present
Professor, Department of Economics, EUSP	2008 – present
Deputy Head of the Department of Economics, EUSP	2005 – 2017
Associate Professor, Department of Economics, EUSP	2005 – 2008
Senior Lecturer, Department of Economics, EUSP	2003 – 2005

### Education

Institute for Economics and Mathematics, Russian Academy of Sciences, PhD programme (2003 – 2006)	PhD thesis ('kandidatskaya') "Monetary policy of the Bank of Russia at present stage" defended on May 26 <sup>th</sup> , 2009 at St. Petersburg State University
European University at St. Petersburg, MA programme (2000 – 2003)	Master of Economics (with distinction)
Baltic Sea Management Academy, Gotland College of Higher Education, Stockholm University, Sweden, MSc programme (1998 – 1999)	Master of Science with major in Business Administration
St. Petersburg State University, Economic Department, specialist programme (1994 – 2000)	Specialist diploma, qualification "economist-mathematician" (with distinction)

### Current Research

Demography and Interest Rates in Emerging Markets (совместно с Д.В. Антоновой, целевой журнал: International Finance)

Modelling Inflation Perceptions (совместно с E. Barthalon, целевой журнал: Applied Economics)

### Research Interests

macroeconomics, economic policy, theories of money, economic integration, uncertainty, economics of energy

### Technical Skills

Software packages: E-VIEWS, R, MathStat

### Awards

2nd grade EdCrunch diploma in the first competition of MOOCs in the category of humanities for the MOOC 'Theories of Money: from Cowries to Bitcoins' (on the platform 'Lektorium') (2015)

Diploma for the best book in the nomination 'The best scientific book in economics and management' at the International contest of books for universities in Kazan, Russia – for the book 'Theory of money: lessons from the crisis' (in Russian). (2014)

Laureate of the prize in honour of Prof. B. L. Ovsievitch, St. Petersburg Scientific Center, Russian Academy of Sciences, awarded for econometric research on monetary policy of the Bank of Russia. (2005)

---

### Research Grants

EERC (Economics Education and Research Consortium) #11569 Common economic area: is there anything common in the economies concerned? March 2012 – October 2013. (team leader; full amount raised - \$10 000)

Co-Investigator: *ExxonMobil Specialisation in Natural Resources and Energy Economics*, EUSP, Financial support of ExxonMobil Corporation (2009 - 2015)

INTAS 05-1000006-8440 Incorporating Socio-Economic Indicators into VAR modelling of NIS Economies: Labour Mobility and Remittances. August 2006 – August 2008 (team leader; full amount raised - \$20 000).

INTAS 05-1000006-8440 Incorporating Socio-Economic Indicators into VAR modelling of NIS Economies: Labour Mobility and Remittances. August 2006 – August 2008 (member of St. Petersburg team, then team leader since September 2007).

INTAS 03-51 3714 Nonstationary Multivariate and Nonlinear Econometric Models: Theory and applications. March 2004 – February 2007 (member of St. Petersburg team).

INTAS 03-55-2408 PhD Fellowship Grant for Young Scientists, The Nature of Money Supply and Inflation, March 2004 – March 2006 (full amount raised - \$2 400).

Think Tank Partnership Program Timing of Monetary Policy and Inflation Monitoring in Poland and Russia. Financial support of U.S. Agency for International Development's SEGIR EP Contract No. PCE-I-00-00-00014-00. July 2003 – June 2004 (member of St. Petersburg team).

---

### Educational Projects

*Global Health Economy*, European University at St. Petersburg (grant of Open Society Institute, Budapest); educational project for young university lecturers and researchers; June 2011 – December 2014 (administrative director; full amount raised - \$110 000).

*Sustainable Growth and Resource Curse*, European University at St. Petersburg (grant of Open Society Institute, Budapest); educational project for young university lecturers and researchers; June 2008 – January 2011 (administrative director; full amount raised - \$100 000).

*Development of Advanced Teaching in Economics*, European University at St. Petersburg (grant of Open Society Institute, Budapest; INTAS Summer School grant); educational project for young university lecturers and researchers; April 2003 – May 2006 (administrative director; full amount raised - \$120 000).

*Teaching Modern Theoretical and Applied Macroeconomics*, European University at St. Petersburg (grant of Open Society Institute, Budapest); educational workshop for young university lecturers; December 2002 – April 2003 (project manager; full amount raised - \$20 000).

*International Summer School in International Finance*, European University at St. Petersburg (grant of Open Society Institute, Budapest; grant of Open Society Institute, Moscow); summer school for young university lecturers (course director; full amount raised - \$90 000).

*International Summer School in Applied Macroeconomics*, European University at St. Petersburg (grant of Open Society Institute, Budapest; grant of Open Society Institute, Moscow; grant of Ford Foundation, Moscow); summer school for young university lecturers (course director; full amount raised - \$93 000).

---

## Consultancies

*Invited expert* with a talk on 'Fears, Fixies and Follies' at the '20 Years of Putin' conference at Oxford University, UK, December 2019.

*Invited expert* with a talk on "Russia's Economic Outlook up to 2020" at the Norwegian Consulate in St. Petersburg, October 2018.

*Invited expert* for the panel 'An Ideal City of the Future' at the 3rd International Spatial Development Forum (a talk on Blockchain technologies and the future of the city finance); St. Petersburg, September 2017.

*Invited expert* for the panel "External Shocks for the Russian Economy" at the 3rd Russian Economic Congress, Moscow, Russia, December 2016.

*Invited expert* for the panel "Low Commodity Prices as an Opportunity for Reforms", at the Training Course "Transforming Extractive Wealth into Sustained Transparency" by Eurasia Regional Knowledge Hub, Baku, May 2016.

*Invited expert* for the panel "Exploring the Economic Foundations of the Customs Union" at the World Economic Forum Moscow Meeting, October 2013.

*Invited expert* with a talk on "Russia's Economic Outlook" for the Danske Bank, March 2013.

---

## Research Visits Abroad

November-December 2018: visiting researcher, Bank of Finland Institute for Economies in Transition, Finland.

May 2011: visiting researcher, Osteuropa-Institut, Regensburg, Germany.

December 2010: visiting researcher, Bank of Finland Institute for Economies in Transition, Finland.

May-July 2010: IMESS visiting scholar, School of Slavonic and East European Studies, University College London, UK (Erasmus Mundus post-doc Scholarship).

November-December 2005: Two-months visit on an INTAS Fellowship to the Department of Economics, Nottingham Trent University, UK.

October-December 2004: Three-months visit on an INTAS Fellowship to the Department of Economics, Nottingham Trent University, UK

---

## Additional Qualifications

Study Reforms and Development in Georgia, Tbilisi, July 16-22, 2018.

Modeling Non-stationary and Non-linear Time Series, Barcelona GSE, June 25-29, 2018

Empirical Time Series Methods for Macroeconomic Analysis, Barcelona GSE, June 25-29, 2018

The workshop on soft skills for teaching and research by William Thomson, May 14-18, 2018, HSE, St. Petersburg.

Text-as-data analysis of international trade, EUSP, April-May 2018.

Bayesian Statistics by Duke University on Coursera. Certificate earned on June 7, 2017 (92.0%).

Linear Regression and Modelling Duke University on Coursera. Certificate earned on April 27, 2017 (94,3%).

Programme of Additional Qualifications 'Voice as an instrument of a teacher's success'. Certificate earned. St. Petersburg, EUSP, February – April, 2017.

Inferential Statistics by Duke University on Coursera. Certificate earned on March 16, 2017 (96.6%).

Introduction to Probability and Data by Duke University on Coursera. Certificate earned on February 9, 2017 (91.4%).

Gaming technologies: development, introduction, evaluation. Teaching centre "Reshenie", St. Petersburg, Russia.

Grenoble Post-Keynesian Winter School, December 7-9 2015, Grenoble, France

The Hyman P. Minsky Summer Seminar, June 13-21, 2014; Levy Economics Institute of Bard College, USA

ISEO Summer School 'Global Inequality: Labour Markets, Growth and Social Reforms in Advanced and Emerging Countries', Iseo, Italy

CRC Workshop 'The State of Arts of the Modern Macroeconomics', Budapest, Hungary, April, 2009.

CEU Workshop 'Institutional self-study and other modes of institutional evaluation', Budapest, Hungary, February 2008.

Workshop 'Growing up in Europe between diversity and equality - a common path towards scientific cooperation in the enlarged Europe', COST Technical Committee for Social Sciences and Humanities, European Commission, Zagreb, Croatia, April 2005.

Oslo University Summer School 'Understanding Financial Crisis', Oslo, Norway, August 2004.

CRC Workshop 'Public Policy', Budapest, Hungary, May 2004.

NORFA training course 'Today's Research Training – Tomorrow's Research Quality', Pilsgate, Latvia, June 2003.

## Teaching Experience

### In English

EUSP International Programmes (IMARES and ENERPO) Political Economy of Energy in Eurasia (2011 – present), Economics for Energy Markets (2014 – present), Evolution of Oil and Gas Markets (2014 – 2019)

MA programme, Venice International University Economics of Environment, Natural Resources and Energy (2019); Macroeconomics: Growth, Business Cycles, and Crisis (2019); Macroeconomics and Economic Crises (2017); Introduction to Economic Growth (2017); Principles of Economics for Non-Economists (2015); Introduction to Economic Growth (2015)

### In Russian

EUSP MA programmes, Department of Economics Macroeconomic Policy and Economic Crises (2010 – present), Modern Monetary Theories (2009 – present); Macroeconomics: intermediate level (2003 – present); Economic Policy (2003 – 2010); Monetary Policy (2006 – 2010); • Computer Science for

	Economists (2005 – 2015); Consumer Behaviour (2003 – 2006); Time-Series Econometrics (TA, 2002 – 2003)
St. Petersburg State University, Economic Department	Financial Management (2009 – 2010), Macroeconomics (2000 - 2008)
St. Petersburg State University, Higher School of Management	Industrial Organisation (1999 – 2000, TA)
St. Petersburg State Electrotechnical University, Department of Management	Mathematical Methods and Models for Managers (2003-2004)

### MOOCs

Arazamas project ( <a href="https://arzamas.academy/">https://arzamas.academy/</a> )	How to Read Favourite Books in a New Way (since 2020; 2 lectures out of 9); Economics of Piracy (since 2019)
Gaidar Open University platform ( <a href="https://gaidaruniversity.ru/">https://gaidaruniversity.ru/</a> )	Macroeconomics: Basic Models of Closed Economy (since 2018)
